

As a passionate and creative designer with over 3 years of experience, I specialize in crafting intuitive user experiences and impactful visual designs. My expertise spans UI/UX design, user research, and brand identity creation, with a strong focus on delivering user-centered solutions across web and mobile platforms. I thrive in collaborative environments, working closely with cross-functional teams to create designs that are both visually appealing and functionally efficient. I am dedicated to refining my craft and delivering designs that solve problems and elevate user experiences.

Work Experience

The Uncommon Designs / UI & UX Designer

Sep 2022 - Present

- Developed user-centered design solutions that improved usability by simplifying complex workflows, resulting in enhanced user engagement across various projects.
- Designed data-driven dashboards, mobile applications, and web interfaces, balancing visual appeal with functional efficiency to improve user navigation and task completion.
- Contributed to brand identity projects by designing logos, icons, and interactive elements, helping improve brand consistency and recognition.
- Applied design thinking and user research to refine design processes iteratively, ensuring user needs were met while aligning with project goals.
- Created accessible, visually appealing static websites, conducting thorough UI testing to ensure functionality and user satisfaction across multiple platforms.
- Fostered a collaborative approach to problem-solving, adapting to feedback and incorporating design trends to improve project outcomes and meet stakeholder needs.
- Worked closely with developers and cross-functional teams to ensure seamless handoffs and the successful implementation of design solutions.

Cokarma / Community Manager & Graphic Designer

Oct 2020 - Sept 2022

- Fostered a vibrant, inclusive community at Cokarma by building strong member relationships through events and engagement initiatives, promoting collaboration and growth.
- Organized and managed events that enhanced community engagement, offering valuable networking opportunities and enriching experiences for members.
- Collaborated with the marketing team to design and create visual content, ensuring a consistent brand identity across promotional materials, social media, and event branding.
